The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE 1.—A candidate who has appeared at an examination the passing of which would render him eligible to appear at this examination but has not been informed of the result may apply for admission to the examination. A candidate who intends to appear at such a qualifying examination may also apply. Such a candidate will be admitted to this examination, if otherwise eligible, but the admission would be deemed to be provisional and subject to cancellation if he does not produce proof of having passed the examination, as soon as possible, and in any case not later than 1st December 1965.

NOTE 2.—In exceptional cases a candidate who has been prevented from obtaining a Matriculation Certificate or its equivalent for reasons beyond his control may at the discretion of the Commission be admitted to the examination provided that he produces a certificate from a Gazetted Officer of the Central or State Government or a Principal or Headmaster specifying the institution where he studied up to the Matric class, the University or Board which was holding the Matriculation Examination, whether admission certificate was issued to him and the reasons which prevented him from taking the examination.
